Items for Discussion and/or Action

1. Consider for approval – Spending 1 million dollars, \$500,000.00 each for the months of August historically the hottest month of the year, and the month of February historically the coldest month of the year to reduce the electrical rate to our residential and commercial customers, providing the funds from SRMPA are available.
2. Consider for approval – The following recommendation from Mayor Anderson Land, keeping consistent with the precedence of appointing the current Mayor of the City of Jasper as a representative to the SRMPA board (the last five mayors being appointed to the SRMPA board) and keeping the current representative Randy Sayers as a representative on the board.
3. Consider for approval – Request authorization from City Council to pay funds back to the General Land Office in the amount of \$117, 402.94 with reserve funds and then continue to pursue the payment to the City by LJA Engineering. The General Land Office has requested payment by August 11, 2023. *NOTE These were Engineering fees paid to LJA Engineering for the Sandy Creek Drainage Relief Project that will not proceed to construction.
